# EVERY SMILE IS SPECIAL!

That's why we took the time to check your teeth today\*. It's important to keep your teeth and gums healthy. After looking at your smile this is what we recommend:

- Make sure you keep brushing and flossing. Your teeth and gums look great.
- You need to do better keeping your teeth clean. Remember to brush twice daily.
- Please make an appointment with a dentist. You may have some problems.
- Please see a dentist as soon as possible.** The following is a brief description of the problems that were found:
