

Miguel Veloso, SO Venezuela

Latin America Representative

Miguel Veloso is a Chemical Engineer, graduated from the Universidad Simón Bolívar. He spent most of his career in the area of technology. The Veloso-O'Donnell family joined Special Olympics in 2005, when his eldest son began training in soccer competitions. Since 2007 he has been actively involved in the movement, where his wife Olivia O'Donnell is a member of the committees of Family and strategic planning and has provided computer support in the activities of these committees. In 2008 received recognition as volunteer family of the year.

Miguel Veloso has also been a regular photographer, organized events, both sporting and family. The Veloso-O'Donnell family has been involved in awareness-raising talks in collaboration with the Youth Committee and School. He plans to work across the Region to support the goal of establishing Family Support Networks in all programs connecting family leaders online. He is also looking forward opportunities to share his information technology expertise so that systems can be developed for registering and tracking family involvement.
