On Saturday, September 17, 2011, join the *compassionate army* of truck drivers as law enforcement escorts the World's Largest Truck Convoy® fundraising event across the highways and byways to raise awareness and funds for Special Olympics athletes and change attitudes toward people with intellectual disabilities.

### What is the World's Largest Truck Convoy?

The Truck Convoy is a celebration of the trucking industry and its support of Special Olympics. It is a unique one-day celebration in which law enforcement makes special dispensation and escorts a convoy of trucks up to 30 miles through their town.

Truckers meet at a staging location and are escorted in convoy to a predetermined destination where they are welcomed by the Special Olympics community - athletes, families, friends, colleagues, law enforcement officers and the organizations that make up the trucking industry. A celebration is held to recognize participating truckers and the support of the trucking industry.

Inspired by the powerful impact Special Olympics had on his life through his participating in the Law Enforcement Torch Run®, combined with his family's involvement with the trucking industry, Norm Schneiderhan, a Corporal with the Orange County Sheriff's Department, created the Truck Convoy, a one-day celebration of the trucking industry to help raise awareness and funds for Special Olympics.

Events will take place in 26 states and 4 Canadian Provinces. No matter where you find yourself on September 17, 2011, a Special Olympics Truck Convoy will be close by. Check out the website at [www.worldslargesttruckconvoy.com](http://www.worldslargesttruckconvoy.com) for specific local event information.

### Types of Vehicles Required

Semi-trucks, truck/trailer combinations, large trucks, low-boys, dump trucks, flat beds, buses, large tow trucks, large box trucks, etc. All trucks entering the convoy must be of 10-GVW or larger. No hazardous materials are permitted.
