What is the World's Largest Truck Convoy?

The Truck Convoy is a celebration of the trucking industry and its support of Special Olympics. It is a unique one-day celebration in which law enforcement makes special dispensation and escorts a convoy of trucks through their town.

Inspired by the powerful impact Special Olympics had on his life through his participation in the Law Enforcement Torch Run®, combined with his family's involvement with the trucking industry, Norm Schneiderhan, a Corporal with the Orange County Sheriff's Department, created the Truck Convoy, a one-day celebration of the trucking industry to help raise awareness and funds for Special Olympics.

Events will take place in 26 states and 4 Canadian Provinces. No matter where you find yourself on September 15, 2012, a Special Olympics Truck Convoy will be close by. Check out the website at www.worldslargesttruckconvoy.com for specific local event information.

Types of Vehicles Required

Semi-trucks, truck/trailer combinations, large trucks, low-boys, dump trucks, flat beds, buses, large tow trucks, large box trucks, etc. All trucks entering the convoy must be of 10-GVW or larger. No hazardous materials are permitted.

OPEN ROAD...
