

Special Olympics
Healthy Athletes®

Special Olympics **Healthy Athletes®**

Special Olympics Healthy Athletes® is a worldwide health program through which Special Olympics volunteers and partners improve the health of people with intellectual disabilities and address health conditions such as chronic pain, disease, blindness, hearing loss and shortened life span that needlessly affect this under-served population.

Healthy Athletes offers health screenings for podiatry (*Fit Feet*), dentistry (*Special Smiles®*), audiology (*Healthy Hearing*), vision (*Opening Eyes®*), physical therapy (*FUNfitness*), sports physicals (*MedFest*) and overall health and wellbeing (*Health Promotion*).

Special Olympics Healthy Athletes® is supported in part through a cooperative agreement with the U.S. Centers for Disease Control and Prevention.
