

# Global Youth Plan: 5 Objectives for 2017-2020

Establish **10,000 new Unified Schools** to engage over **100,000 young people** across **100 countries**

Identify and engage **10,000 youth leaders** to create **5,000 youth led clubs or projects** in schools

Connect **one million young people** with Special Olympics movement with digital engagement

Improve sustainability and quality of youth programming, with **75% of targeted Programs achieving higher stage of Quality Standards and increased funding for youth work** by end of 2020

**Measure social inclusion in 3 locations in each Region** and use results to improve youth program quality and generate support from potential funders, government, media and the public
