## Summit Scoop | Youth Leader Spotlight

Susan Ndapanda David will be representing Special Olympics Namibia at the 2023 Global Youth Leadership Summit in Berlin, Germany. She is currently in her final year at university pursuing her BED (Honors) Degree. Susan joined Special Olympics because of her love for sports but became more involved in youth leadership as a Youth Innovation Project recipient and has participated in other leadership events in her community. Susan is part of the Unified Generation as she wants to promote inclusion by making sure that no person is left behind because of inequality. Susan hopes that she can become a mentor to other athlete leaders one day by supporting them on their own leadership journeys. She is extremely passionate about serving others.
