

HEALTHY FEET ARE VERY IMPORTANT

1

Wash your feet with soap and water.

2

Dry your feet and between all your toes thoroughly.

3

Check your feet for sores, redness, or unrecognized spots.

4

Clip your nails once a month or file your nails weekly.

5

Use moisturizer to prevent dryness.

6

Wear clean shoes and socks every day to protect your feet.

Make sure your shoes fit well. Below are some things to consider:

- Shoes do not pinch/restrict movement. You should be able to wiggle your toes.
- Shoe edges should not be worn out on edges, heels, or toes.
- Shoes you are using match your activity.

8

Keep up these habits to ensure you have FIT FEET.
