

## **Special Olympics (Program) Disclaimer- EXTERNAL**

The virtual Healthy Athletes programming provided by Special Olympics (Program) is for health education, assessment, and exercise purposes. These assessments, education and exercises are designed to help individuals better understand their health status and maintain good health. They are not a substitute for in-person care and should not replace any individual need to seek independent medical advice, assistance, or care. Individuals may choose to exit from participation at any time and for any reason.

**If you engage in this health education, assessment and exercise program, you agree that you do so at your own risk, are voluntarily participating in these assessments, assume all risk of injury to yourself, and agree to release and discharge Special Olympics (Program) and Special Olympics International from any and all claims or causes of action, known or unknown. In addition, you agree that information on your participation and health status may be collected, stored, and shared in a secure format which protects your privacy.**
