

Special Olympics Special Smiles Continuing Education Tally Form

To earn Continuing Education/Participation credits at the Special Olympics Special Smiles Program, you must attend the one (1) hour Continuing Education Course that precedes the oral screening of Special Olympics Athletes. You will also earn CE credits by spending time providing dental screenings, nutritional counseling and oral hygiene instruction for the athletes.

You will earn one (1) hour credit for completing the didactic and clinical participation course and for each additional hour conducting non-invasive dental screenings or providing oral health education to the athletes. The CE credits can be applied toward the Academy of General Dentistry’s Fellowship, Mastership, and membership maintenance programs or for various programs within your individual state.

Please complete this form and return it to your Special Olympics Special Smiles Clinical Director at the conclusion of the event. They will issue your continuing education attendance verification form.

- I did / did not (circle one) attend and complete the Special Olympics Special Smiles Continuing Education Course.
- I spent _____ hours conducting dental screenings and/or providing oral health education for Special Olympics Athletes.
