

Program Evaluation Report – Virtual Family Health Forum

Your evaluation report should be completed online via this form:

<https://app.smartsheet.com/b/form/563e0b50c3de4d97b8081aebac7bdff2>

However, to help you plan, we wanted to give you a sense of the types of questions you will be asked to report on following your Virtual Family Health Forums. This will help us report to our funders and ensure funding in the future for both virtual and in-person events, when we are able to resume activities. We would ask that you submit this form whether you receive funding from SOI or not. If you also received funding you will be required to submit your financial information and receipts as well. Thank you for your consideration and for all you do for your athletes and families and the Special Olympics movement.
