

**MISSION:**

To provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with an intellectual disability, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in the sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

VISION:

Our vision is based on registering athletes, examining, training and qualifying them to participate in sports games and competitions, developing their abilities and skills, each according to their abilities, classification and grade, organizing training courses for them, giving them equal and continuous opportunities, demonstrating their courage.

The country is taking full advantage of the program to develop athletes' skills, equality and respect, acceptance and spreading high sportsmanship. Offering fair educational opportunities and inclusion is one of our aims. All of this is subject to the rules and regulations of Special Olympics International And its provisions.

HISTORY:

Founded in 2000.

GOAL:

Special Olympics Iraq envisions a future where intellectual disabilities are no barrier to participation and achievement. Forging strong partnerships with local organizations and investing in the training of local coaches. Ultimately, our goal is to cultivate a thriving community where athletes with intellectual disabilities can excel in sports, celebrate their victories, and inspire a nation towards a more inclusive future.
