

DIRECTIONS

- This assessment may be used for 4-player and 8-player teams. For a 4-player team, only use athletes #1-4 on the attached scorecard.
- Clear bags after completing tosses in each pitcher's box.
- Athletes attempt 4 tosses from each of the 4 pitcher's boxes, for a total of 16 tosses.
- Sum the score of all 16 tosses to create a total player score for the assessment
- Record the score value of each bag thrown on the attached scorecard.
- Sum the score of all players to create a team total score.

COURT LAYOUT

- Refer to the diagram for the proper layout of the cornhole court.
- Either board can be designated as "Board 1" as long as the layout is consistent for all athletes completing the assessment.

SCORING

0 POINTS

Cornhole bag does not come in contact with the board or bounces onto the board.

3 POINTS

Cornhole bag comes to rest in the hole.

0.5 POINTS

Cornhole bag hits the board in the air, but does not stay on the board or land in the hole.

TOTAL SCORE

Sum of points scored on 16 throws from assigned distance.

1 POINT

Cornhole bag comes to rest on the board.

TEAM SCORE

Sum of all scores for all players on the team.

THROWING DISTANCE

- Unified Games are only played at the official court distance laid out by the American Cornhole Association. Our assessment for Unified Sports shall have a distance of 27-ft. distance from front of board to front of board.
- All players in a match must be qualified from the same distance. A match may not be played with multiple throwing distances between games or players.
