

Level 4

For Level 4, athletes are required to perform a compulsory freehand routine. This routine is the same as the Level 3 freehand routine.

No modifications are allowed to the choreography, including dance steps or any other elements. The routine must be performed exactly as shown in the official video.

Level 4 athletes will compete with four apparatus:

The apparatus routines for Hoop, Ball, Clubs, and Ribbon are coach-created routines specifically designed and choreographed for each gymnast. In this level, Apparatus Difficulty (DA) is not evaluated; however, bonus points may be awarded according to the specifications established in the official PDFs and regulations.
