f Follow us on facebook at [facebook.com/VerySpecialChristmas](https://facebook.com/VerySpecialChristmas) or [facebook.com/specialolympics](https://facebook.com/specialolympics)

Since 1987, the AVSC series has generated support for Special Olympics programs around the world. By purchasing AVSC albums, you can help by making possible another kind of music: the rousing cheers of proud parents and friends, where once there was only the stifling silence of ignorance and fear. Thank you for being a fan!
