

Maureen Webber, SO Jamaica, SO Caribbean

North America Representative

Maureen is the proud mother of Brian Anthony Cuffe, a 20 year old Special Olympics MATP participant and swimmer. Maureen holds a BA from the University of Massachusetts Boston, and a Masters in Urban and Regional Planning from Virginia Polytechnic Institute and State University. She served on the Board of Special Olympics Jamaica for six years and the Board of Special Olympics Caribbean since 2003. She was Board Chairperson for 6 years and also serves as a sitting member of the NALC.

Maureen uses the transformational role of Special Olympics to encourage parents across the Caribbean region to support their children and young adults with intellectual disAbilities to become involved in Special Olympics. As a Social Development Consultant, owning and managing a consulting firm in Jamaica and working extensively in the Caribbean, she uses her relationship with national leaders and private sector leaders to facilitate their involvement in Special Olympics. Maureen and her firm also contribute generously to Special Olympics and other organizations working on behalf of those with disAbilities.

Her goals as a Global Family Leader for North America are to: build sustainable parent chapters in four programmes in each year; to increase the exchange of lessons, support among parents in six programmes; and to ensure that there is an umbrella in each of the three sub regions to support the exchange.
