

Special Olympics East Asia Global Family Leader Henrietta Siu – Special Olympics Hong Kong

Henrietta is mother of Special Olympics athletes, Quinton, a 17 year old swimmer, and 14 year old Kurtis, who competes in figure skating and golf. She has been actively involved as a Special Olympics family member in Hong Kong for the past 12 years. Henrietta has organized a Family Support Network in her local community as well as encouraged other family members to volunteer and commit to fundraising for Special Olympics. Henrietta brings her leadership skills to her position as Global Family Leader from Special Olympics East Asia and will continue to organize families from the around the Region to educate, activate and encourage participation within the Movement. She will also continue to work with other Family Leaders from across the Region to represent family members from Special Olympics East Asia.
